📍 Halifax, NS

SUMMARY

I am a driven and detail-oriented Full-Stack Developer transitioning from a background in television production and hospitality. While completing a diploma in Marketing Management in 2019, I discovered a passion for programming and all things marketing automation. I excel in both independent and collaborative environments and look forward to joining a new team and creating great software.

SKILLS

Languages: JavaScript, Ruby, HTML & CSS

Frameworks & Libraries: NodeJS, ReactJS, Rails, Ajax, EJS, jQuery, Express, Bootstrap, Tachyons & Material UI

Testing: Mocha, Chai, Storybook, Jest & Cypress

Systems, CMS, Databases & Other: PostgreSQL, Wordpress, Git, Figma, Heroku & Netlify

PROJECTS

Scheduler 🐙

An Interview Scheduler app where a user can book and manage an interview with an instructor.

Tech Stack: ReactJS, PostgreSQL, Axios, WebSockets, Storybook, Jest & Cypress.

Tweeter 🐙

A simple Twitter clone.

Tech Stack: Express, jQuery, JS & EJS.

Mood4Food 🐙

A food ordering app (team project). After an order is placed, the restaurant & user are updated of order status via text message and preparation time is dynamically rendered on the confirmation page.

Tech Stack: Twilio API, Express, JS, EJS, PostgreSQL, Bootstrap & jQuery.

Tinyapp 🐙

A URL shortening app.

Tech Stack: Express, JS, jQuery, Ajax, Bootstrap & EJS.

WORK EXPERIENCE

Production Manager - Garnan Productions Ltd., Halifax NS

2019 - 2021

- Managed production scheduling and worked collaboratively with film crew on deadline-driven documentary television shoots across Nova Scotia.
- Designed Wordpress website, managed social media accounts for all productions (receiving between 3000 and 13000 impressions per post) and ran social media marketing campaigns to increase brand awareness & viewership.

EDUCATION

Diploma in Full-Stack Web Development Lighthouse Labs

2021

- Intensive 12-week program covering full-stack technologies and computer science fundamentals.
- Worked on team and solo projects and received one-on-one mentorship with industry professionals.

Ontario College Diploma in Marketing Management Fanshawe College, London ON

2019

President's List (4.17 GPA)

- Designed and launched a 25-page Wordpress website for a live Non-Profit client over a six-week period.
- Selected as one of two top teams to present an Integrated Marketing Communications Plan (including website prototyping and marketing materials) to a live client.

Bachelor of Science in Chemistry Dalhousie University, Halifax NS

2012
