SUMMARY

I am a driven and detail-oriented Full Stack Web Developer. With a background in television production & marketing, I have a passion for sharing stories - which I strive to continue to do through great software.

SKILLS

Languages: JavaScript, TypeScript, HTML & CSS

Frameworks & Libraries: NodeJS, ReactJS, Next.js, Redux, Express, Koa, Bootstrap & Material-UI

Testing: Enzyme, Jest, Storybook, Cypress, Selenium, Mocha & Chai

Systems, CMS, Databases & Other: PostgreSQL, MongoDB, GraphQL, Oracle NetSuite, Wordpress & Git

Certifications: Oracle NetSuite Certified SuiteCloud Developer II & SuiteFoundation

WORK EXPERIENCE

Full Stack Developer TELUS Digital, Toronto ON (Remote) **Oct 2021 - Present**

- Worked on the Mobility Commerce UI team, maintaining 3 large-scale production applications using React, Redux, GraphQL and Node.js.
- Worked closely with Tech Leads, Designers and QA Team to design and implement new features, along with maintaining application health and resolving issues in production.
- Responsible for onboarding new developers to the team as an Onboarding Buddy, engaged in pair-programming and performed peer code reviews.

Software Developer Starling Solutions & Blend ERP, Halifax NS **April - Oct 2021**

- Worked in development of a Batch Manufacturing app for Oracle NetSuite using JavaScript & SuiteCloud.
- Performed peer code reviews and assisted Project Manager in developing an organized git workflow.
- Took ownership of features to support multi-subsidiary items and batch work in process manufacturing.

Full Stack Developer Ellerca Health Corp., Toronto ON (Remote Internship) **Feb - April 2021**

- Worked in development of a Health Sales app with TypeScript, Next.js, MongoDB, Koa & Material-UI.
- Implemented user authentication with OAuth, payments with Stripe, REST APIs and UI/styling.
- Worked with Tech Lead and Project Manager to design and develop solutions for business challenges.

Production Manager and Unit Publicist Garnan Productions Ltd., Halifax NS **2019 - Present**

- Led production team on deadline-driven documentary television shoots across Nova Scotia for locally and nationally syndicated series.
- Manage and maintain firm's Wordpress website and social media accounts.

PROJECTS

Layers 🌐 Demo login: email: mail@gmail.com, pw: password

An app for music teachers and learners where users can isolate individual layers of their favourite songs and play or mute one or many. Learning the bass? Isolate just the bass track while you learn, or mute it so you can play along with the band.

Tech Stack: React, JavaScript, PostgreSQL, Node, Express, WaveSurfer & Material-UI.

EDUCATION

Diploma in Full Stack Web Development Lighthouse Labs, Toronto ON (Remote)

- Intensive 12-week program covering full stack technologies and computer science fundamentals.

Ontario College Graduate Certificate in Marketing Management Fanshawe College, London ON

President's List (4.17 GPA)

- Designed and launched a 25-page Wordpress website for a live Non-Profit client over a six-week period.

Bachelor of Science in Chemistry Dalhousie University, Halifax NS
